## \*2016/17 Fundraising\* - Eco Garden

The school is actively pursuing the development of the Eco Garden which will cost in excess of £25,000.00. It is hoped that £10,000.00 will be contributed by the PTA from this years fundraising. The garden will include a seated area and will be used by all classes for a variety of lessons including planting and caring for vegetables and plants. This is a mammoth task for the PTA. We are hoping that all families will continue to support our efforts this year to reach this goal of donating our annual contribution plus the Eco Funds of almost £25,000.00 to the school in June 2017.

We're now Give As You Live online shopping members. An easy way to raise money at **no cost to you!** From Amazon to Asda, M&S to Eurocamp, your online shop raises funds for our school. Register at <http://give.as/live/charity/stbridespta>
