

MY DAD'S BIRTHDAY

***One sunny morning I woke up
And remembered that it was my
Dad's birthday.***

***I went into his room and gave
him our presents***

***We went into the BELFAST
BOAT CLUB and decorated the
party room.***

***My Dad and I played football
Before we drove to the party.***

***The party was brill! There was a
band, I got a go on the drums,
get up on stage and sing!***
